O R D E R

On August 14, 1991, WATS/800, Inc. ("WATS/800") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate interLATA resold telecommunications services. WATS/800 does not request authority to provide intraLATA or operator-assisted services.

On September 30, 1991, the Commission ordered WATS/800 to file additional information. WATS/800 filed its response on October 25, 1991.

WATS/800 is organized as a corporation in the state of Indiana. The financial, managerial, and technical capabilities of WATS/800 have been demonstrated in the application. WATS/800 does not own and/or operate any facilities in any jurisdiction. WATS/800 will resell tariffed services offered solely by AT&T, specifically, AT&T's Software Defined Network (SDN) and Distributed Network Service (DNS).

The Commission, having considered the application of WATS/800, its supporting exhibits, the information provided by WATS/800 in response to the Commission's Order, and being otherwise sufficiently advised, finds that WATS/800 should be granted authority to provide intrastate interLATA long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

The rates proposed by WATS/800 should be approved as the fair, just, and reasonable rates to be charged by WATS/800.

IT IS THEREFORE ORDERED that:

1. WATS/800 be and it hereby is granted authority to provide intrastate interLATA long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

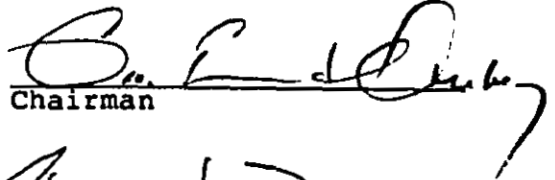

2. This authority to provide service is strictly limited to those services described in this Order and WATS/800's application.

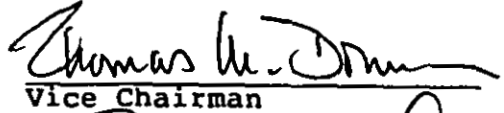

3. The rates proposed by WATS/800 are hereby approved.

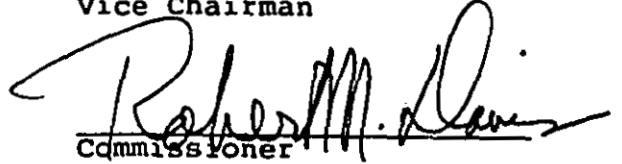

4. Within 30 days from the date of this Order, WATS/800 shall file its tariff sheets pursuant to 807 KAR 5:011 setting out the rates approved herein and all rules governing the provision of service in accordance with the Commission's Orders and administrative regulations.

Done at Frankfort, Kentucky, this 9th day of January, 1992.
